Revolution HRMS: statutory rows loaded in the software

Purpose. Every row below is stored in the payroll database marked **not verified**. While that mark is on, the software refuses to use the row for payroll or tax. Please check each row against the primary source (notification, Act or Rules), tick it, correct it if it is wrong, and complete the sign-off record in Part H. Rows that are not signed stay refused. Nothing here has been verified from a secondary source alone.

Sources used when the rows were loaded. Ministry of Labour notification S.O. 5109(E) of 17-09-2026 (EPF wage ceiling); ESIC contribution rates in force since 01-07-2019; Code on Wages, 2019; Finance Act 2025 and the income-tax department rate tables for FY 2026-27; Haryana Labour Welfare Board page; Haryana Government Gazette Extraordinary No. 51-2026/Ext. of 9 April 2026. Several rows were read from law-firm and payroll-vendor summaries of the notifications, which is why the primary text must be checked.
